DDS&T WEEKLY HIGHLIGHTS FOR THE DCI WEEK OF 16 JULYIN GENERALConference on Insurgency and Terrorism

NPIC sponsored an Imagery Conference on Insurgency and Terrorism, the first of its kind and designed to acquaint the attendees with the capabilities and limitations of imagery analysts' ability to detect and evaluate insurgent and terrorist activities. Some 70 intelligence analysts representing DIA, CIA, NSA, DOE, FICEURLANT (Navy's European and Atlantic Fleet Intelligence Center), the Secret Service, the Rapid Deployment Joint Task Force, the Joint Special Operations Center, Fort Bragg, Air Force Special Investigations, Army's Intelligence Threat Analysis Center and the Naval Investigative Service attended. The session started with an overview of NPIC followed by special briefings on [redacted], [redacted], the [redacted] the [redacted] and terrorist training facilities. The participants were afforded the opportunity to meet with NPIC area analysts to discuss specific items of interest.

Nicaraguan Imagery Analysis Report

We've attached as an example of the special reports prepared by the National Photographic Interpretation Center, one titled "Nicaragua Since the Revolution: An Imagery Analysis of the Military Buildup Since 1979". These are prepared on an ad hoc basis either at the request of intelligence users in the community or on the initiative of analysts in NPIC.

Nunn Visit

We verbally reported earlier that, on 8 July, Senator Nunn, accompanied by two of the Agency's Legislative Liaison Officers, visited [redacted]. At the conclusion of the visit, Senator Nunn expressed his concerns regarding the need for controls on technology transfer.
